 - **Sales Contact: Byron Hanke ~ 360-904-7544**

- *Rebellion* was brought to the U.S. in 1945 after an engine replacement. The boat was moored in Seattle/Olympia area until 1958 at which time it was brought to Portland, OR.
- *Rebellion* cruises at 7 – 7 ½ knots at 1800 rmps and burns 5 gallons of fuel per hour total on both engines.
- The present owners have cruised the boat from Astoria to past The Dalles on the Columbia River and also on the Willamette River.
